Fluence Champions Program.

CONTRIBUTE TO FLUENCE.
EARN REWARDS, RANKS, & NFTS!

Our Mission

At Fluence, we are on a mission to simplify web3.0 for the masses! But we can't do it alone. We need the full force of the Fluence Champions!

How can you contribute?

There are various ways you can be a part of this mission! We have programs for growth hackers, developers, content creators, influencers, early adopters, community builders & educators.

We call them Fluence Champions

Requirements

Anyone can become a Fluence Champion, but we expect sincere efforts. We want contributors who deeply share our vision to simplify Web3. We need members who understand what we do, and want to be a part of this journey.

We want Fluence Champions
- who can take initiative
- suggest bold new ideas
- become an integral part of our community

The more impact your work brings to the community, the higher will be your involvement in changing the future of the internet.

Various Roles

01 **Community Envoys**

02 **Partnership Pigeons**

03 **Content Kings**

04 **Coding Ninjas**

Community Envoys

You will travel far and wide in the metaverse to spread the Fluence revolution to the masses.

- Help us grow our Discord & Telegram communities
- Manage regional dev communities
- Organize AMAs, events & meetups

Partnership Pigeons

You will help us bring the Fluence experience to new Dapps & Devs.

- Advocate the benefits of Fluence tools to other dev communities
- Refer us to potential integrations
- Connect us to core devs of web3 projects

Content Kings

You will create insightful, creative, informative, wacky, & crazy content that gets the people going!

- Write articles & guides on our products
- Create memes, gifs & videos on the problems we solve
- Create educational content & tutorials on how to integrate Fluence platform.

Coding Ninjas

You will build on Fluence platform to showcase new use cases and demonstrate how simple web3.0 should be

- Participate in our hackathons & grant programs
- Take part in bug bounty programs
